This Certificate is issued upon the following terms and conditions as laid down in the Society's Regulations:-
Whilst Indian Register of Shipping, a Classification Society, along with its subsidiaries and associates (hereinafter referred to as the Society) and its Board/Committees use their best endeavors to ensure that the functions of the Society are properly carried out, in providing services, information or advice neither the Society nor any of its servants or agents warrants the accuracy of any information or advice supplied. Except as set out herein neither the Society nor any of its servants or agents (on behalf of each of whom the Society has agreed this clause) shall be liable for any loss damage or expense whatever sustained by any person due to any act or omission or error of whatsoever nature and however caused of the Society, its servants or agents or due to any inaccuracy of whatsoever nature and howsoever caused in any information or advice given in any way whatsoever by or on behalf of the Society, even if held to amount to a breach of warranty. Nevertheless, if any person uses services of the Society, or relies on any information or advice given by or on behalf of the Society and suffers loss damage or expenses thereby which is proved to have been due to any negligent act omission or error of the Society, its servants or agents or any negligent inaccuracy in information or advice given by or on behalf of the Society then the Society will pay compensation to such person for his proved loss up to but not exceeding the amount of the fee charged by the Society for that particular service, information or advice.
Any notice of claim for loss, damage or expense, as referred to above, shall be made in writing to the Society's Head Office within six months of the date when the service, information or advice was first provided, failing which all the rights to any such claim shall be forfeited and the Society shall be relieved and discharged from all liabilities.

ANNEXURE TO CERTIFICATE OF CLASS

(i) Final Trim & Stability Booklet has been examined and approved on behalf of Government of India, subject to the following conditions:
(a) Loading conditions 2,3 and 4 are verified based on 2008 IS Code, Part B, Chapter 2.2; for unmanned tow operations along the Indian Coast, during the course of which the vessel does not go more than 20 nautical miles from the nearest land, and may cross gulfs or similar features recognised by the Administration.

(ii) Intact stability during crane operations has been independently verified for loading conditions 5 & 6 only considering the following:
a. Crane weight and details given on page 6 of the document.
b. Maximum lifting load of 30 T with a work radius of 21.45 m.

(iii) Any other loading condition for the operation of the crane has to be evaluated separately.

(iv) Crane operations are to be carried out when the vessel is in a stationary position and in fair weather condition only. Refer crane operation manual for other crane operation details.

(v) Maximum extreme draught allowed is 2.210 m only.

(vi) All equipment and deck cargo shall be properly secured and all weathertight/watertight fittings are to be in the closed position, while the vessel is underway.

(vii) Any breach of aforementioned conditions and/or other hull/additional modifications shall render the stability approval invalid.

Details of Class Notations assigned to vessel:

Abbreviation	Expanded Form	Description
Characters of Class		
SU	SARVOUTAM	Denotes vessels which are classed with IRS where the hull and its appendages meet the rule requirements but where for reason of their particular purpose or service normal equipment may be unnecessary
	SWASTIKA	This distinguishing mark inserted before a Character of Class is assigned to new ships where the hull and its appendages, equipment and the machinery as appropriate,are constructed under special survey of IRS in compliance with the Rules to the satisfaction of IRS
Class Notations - Hull		
Indian Coastal Service	Specified Coastal Service	Service along a coast, during the course of which the vessel does not go more than 20 nautical miles from the nearest land and may cross gulfs or similar features recognised by the local Administration as a part of the coastal service. The geographical limits will form part of the Class Notation
Ship Type Notation		
-	PONTOON	This notation will be assigned to non self- propelled, manned or unmanned ships designed specifically for the carriage of non-perishable cargo or equipment on deck and built in accordance with the applicable requirements of Part 5, Chapter 11 of the IRS Rules. For special purpose vessels, the Notation will be suitably modified, e.g. Crane Pontoon
Descriptions		
	FOR CRANE OPERATION	This description is assigned to Vessels equipped for crane operation.

Special Features Notations		
-	"Deck Strengthened for 9 t/m2"	The notation is used in cases, where the entire deck is strengthened for heavy cargoes / some other specific reason.
