This Certificate is issued upon the following terms and conditions as laid down in the Society's Regulations:-

Whilst Indian Register of Shipping, a Classification Society, along with its subsidiaries and associates (hereinafter referred to as the Society) and its Board/Committees use their best endeavors to ensure that the functions of the Society are properly carried out, in providing services, information or advice neither the Society nor any of its servants or agents warrants the accuracy of any information or advice supplied. Except as set out herein neither the Society nor any of its servants or agents (on behalf of each of whom the Society has agreed this clause) shall be liable for any loss damage or expense whatever sustained by any person due to any act or omission or error of whatsoever nature and however caused of the Society, its servants or agents or due to any inaccuracy of whatsoever nature and howsoever caused in any information or advice given in any way whatsoever by or on behalf of the Society, even if held to amount to a breach of warranty. Nevertheless, if any person uses services of the Society, or relies on any information or advice given by or on behalf of the Society and suffers loss damage or expenses thereby which is proved to have been due to any negligent act omission or error of the Society, its servants or agents or any negligent inaccuracy in information or advice given by or on behalf of the Society then the Society will pay compensation to such person for his proved loss up to but not exceeding the amount of the fee charged by the Society for that particular service, information or advice.

Any notice of claim for loss, damage or expense, as referred to above, shall be made in writing to the Society's Head Office within six months of the date when the service, information or advice was first provided, failing which all the rights to any such claim shall be forfeited and the Society shall be relieved and discharged from all liabilities.

Annexure

NAME OF SHIP : K.B-23 **CERTIFICATE NO. : 20264**

I.R. NO. : 64381 **IMO NO. :**

Final Trim & Stability Booklet has been examined based on the following conditions and approved on behalf of Government of India, subject to the following conditions:

(a) Loading conditions 1,5 & 6 are verified based on IS Code 2008, Part B, Chapter 2.2, for unmanned tow with the crane in stowed position only.

(b) Maximum VCG curve presented in the document does not cover crane operations/lifting of weights and is valid only for unmanned tow, with the crane in a stowed position.

(c) Intact stability during operation of the crane is examined for below-mentioned loading conditions only. Any other loading condition for the operation of the crane has to be evaluated separately.

- Loading conditions No: 02,03 & 04 for 150t crane with limiting lifted load of 51.3 t with the maximum vertical centre of gravity at 33.218 m above baseline for an operating radius of 12 m.
- Loading conditions No: 07,08 & 09 for 250t crane with limiting lifted load of 36.6 t at the maximum vertical centre of gravity at 76.97 m above baseline for an operating radius of 18 m.

(d) Crane operations are to be carried out when the vessel is in a stationary position and in fair weather condition only. Refer crane operational manual also for any other crane operational issues.

(e) Maximum extreme draught allowed is 2.212 m only. All weathertight/watertight fittings are to be in the closed position during exploitation.

(f) Any breach of aforementioned conditions and/or other Hull/additional modifications shall render the stability approval invalid.
