**This Certificate is issued upon the following terms and conditions as laid down in the Society's Regulations:-**

Whilst Indian Register of Shipping, a Classification Society, along with its subsidiaries and associates (hereinafter referred to as the Society) and its Board/Committees use their best endeavors to ensure that the functions of the Society are properly carried out, in providing services, information or advice neither the Society nor any of its servants or agents warrants the accuracy of any information or advice supplied. Except as set out herein neither the Society nor any of its servants or agents (on behalf of each of whom the Society has agreed this clause) shall be liable for any loss damage or expense whatever sustained by any person due to any act or omission or error of whatsoever nature and however caused of the Society, its servants or agents or due to any inaccuracy of whatsoever nature and howsoever caused in any information or advice given in any way whatsoever by or on behalf of the Society, even if held to amount to a breach of warranty. Nevertheless, if any person uses services of the Society, or relies on any information or advice given by or on behalf of the Society and suffers loss damage or expenses thereby which is proved to have been due to any negligent act omission or error of the Society, its servants or agents or any negligent inaccuracy in information or advice given by or on behalf of the Society then the Society will pay compensation to such person for his proved loss up to but not exceeding the amount of the fee charged by the Society for that particular service, information or advice.

Any notice of claim for loss, damage or expense, as referred to above, shall be made in writing to the Society's Head Office within six months of the date when the service, information or advice was first provided, failing which all the rights to any such claim shall be forfeited and the Society shall be relieved and discharged from all liabilities.

## ANNEXURE TO CERTIFICATE OF CLASS

Details of Class Notations assigned to ship:

| Abbreviation | Expanded Form | Description |
|---|---|---|
| Characters of Class | | |
| SU | SARVOUTAM | Denotes vessels which are classed with IRS where the hull and its appendages meet the rule requirements but where for reason of their particular purpose or service normal equipment may be unnecessary |
| 卐 | SWASTIKA | The distinguishing mark inserted before a Character of Class (SUL, SU(-), SU, IY as appropriate), is assigned to vessels admitted in to IRS Class at the time of delivery of the vessel and constructed under the survey of an IACS Society. |
| Class Notations - Hull | | |
| Indian Coastal Service | Specified Coastal Service | Service along a coast, during the course of which the vessel does not go more than 20 nautical miles from the nearest land and may cross gulfs or similar features recognised by the local Administration as a part of the coastal service. The geographical limits will form part of the Class Notation |
| Ship Type Notation | | |
| - | PONTOON | This notation will be assigned to non self- propelled, manned or unmanned ships designed specifically for the carriage of non-perishable cargo or equipment on deck and built in accordance with the applicable requirements of Part 5, Chapter 11 of the IRS Rules. For special purpose vessels, the Notation will be suitably modified, e.g. Crane Pontoon |
| Special Features Notations | | |
| - | "DECK STRENGTHENED FOR 10 t/m2" | The notation is used in cases, where the entire deck is strengthened for heavy cargoes / some other specific reason. |

## INFORMATION FOR SHIP OWNER/MANAGER

1. Owners shall notify IRS suitably in the following scenario.
   a) Any repairs to the hull, machinery and equipment either as a result of damage or wear and tear which are required for maintenance of class.
   b) Where the ship is damaged to an extent resulting in towage outside port limits.
   c) Any alteration proposed to be carried out to approved scantlings and arrangements of the hull machinery or equipment.
   d) When the ship is detained by Port State Control / Flag State Inspection.
   e) When the ship meets any accident such as fire, collision etc.
   f) When the ship is under survey, prior sailing out of port limits.

2. The class of the ship will be liable to be subjected to suspension procedure in the following scenario.
   a) if the Owner fails to notify IRS of any damage to the ship's hull, machinery or equipment, which may adversely affect classification of the ship.
   b) if the annual, intermediate survey, renewal survey become overdue.
   c) if an item of continuous survey is overdue at the time of annual survey, unless the item is dealt with or postponed by agreement.
   d) if conditions of class are not dealt with by the due date or postponed by agreement, by the due date.
   e) ship proceeds to sea without having completed surveyor’s recommendations.
   f) if alterations are carried out on items which may affect the classification of the ship without informing IRS, except in the case of emergency repairs.
   g) if the ship is not offered for annual general examination for maintenance of laid up notation within the window of periodical survey.
   h) Where the ship proceeds to sea with less freeboard than that approved by IRS or when the freeboard marks are placed higher on the ship's sides than the position assigned or approved by IRS.
   i) When it is found that the ship is being operated in a manner contrary to that agreed at the time of classification, or is being operated in conditions or in areas more onerous than those agreed.
   j) from the expiry date of Certificate of Class or by the expiry date of any extension granted, if the special survey has not been completed by the due date and an extension has not been agreed to.

3. The class of the ship is liable to be withheld or, if already granted, may be withdrawn in case of any non-payment of fees or expenses chargeable for the service rendered.

4. It shall be the Owners' responsibility to maintain the ship in between surveys and offer the ship for general examination within the window of periodical survey including ships which are laid up.

5. Services of IRS approved service providers are to be utilized, as they affect decision making during classification surveys.
   a) Firms engaged in thickness measurements on ships.
   b) Firms carrying out an in-water survey on ships and mobile offshore units by diver or Remotely Operated Vehicle (ROV).
   c) Firms engaged in tightness testing of closing appliances such as hatches, doors etc. with ultrasonic equipment.
   d) Firms engaged in survey using Remote Inspection Techniques (RIT) as an alternative means for close-up survey of the structure of ships and mobile offshore units.
